Don't forget to bring a dish to pass for our lunch-time pot luck dinner.

Talk Previews

If you have a conflict for the date that your talk preview is due, please contact John Thompson. jdthomzoo@charter.net Home 231-222-0237, Cell 508-632-7556
 If you have a talk to be previewed, it is always acceptable to have it ready BEFORE it is scheduled ... many times we can work in extra preview sessions ahead of the normally scheduled times. If you have your talk ready, earlier than scheduled, please let the trainer know when you arrive. That way, it may be possible to preview your talk at the earlier time.
